‘Happiness’ is a modern pop song with a happy, upbeat melody. It’s from 2010 and it’s by Alexis Jordan, an American pop singer. Alexis was a competitor on America’s Got Talent and ‘Happiness’ is her first famous single. It was number 1 in the USA and it was also popular in other countries, for example the UK and Australia. The song is about a girl and her ex-boyfriend. In the song the girl is in her car and she is sad because she isn’t with her boyfriend. She thinks about the happy times with him and she decides to return to him.
