Hello and welcome to Kingsfield School!

Kingsfield is a state secondary school for boys and girls from 11 to 18 years old. It’s a big school with about 1,200 students.

School subjects

Hello! My name’s Amy and I’m in Year 8. In my year we study a lot of subjects. My favourite subject is Art and I often win prizes for my drawings! I also like Science, because we sometimes go to the Science laboratory and we do experiments. French is interesting, too. We have a special language laboratory. In the laboratory we listen to our accents and we sometimes watch films in French. It’s fun!
Our school day

**My name’s Hamid and I’m in Year 9.** In the UK we go to school from Monday to Friday. Lessons start at 9.00 a.m. We have four lessons in the morning and three in the afternoon. We have a 15 minute break in the morning and an hour for lunch. Lessons finish at 3.30 p.m. We often stay at school at the end of the day for an after-school club. Some popular clubs are football, tennis, choir, drama, photography, hip hop dance classes and computer club.

**Once a month we start the week with a school assembly for all the students and teachers in Years 7 to 9.** The teachers and students meet in the school hall and we sing traditional songs. A teacher usually talks to us about a special topic, for example, poverty in Africa.

Food, glorious food!

**Hi! I’m a Year 8 student and my name’s Eli.** My favourite part of the school day is Breakfast Club. The school canteen opens at 8 o’clock and I’m always the first person there! At Breakfast Club there’s lots of different food. I always eat porridge, but there’s also cereal, yoghurt and bacon sandwiches. I also have lunch at school. I love the canteen!
