‘Do You Really Want To Hurt Me?’ by the British band Culture Club was a big hit in the 1980s. The band used the name Culture Club, because the band members all came from very different cultural backgrounds. For example, the lead singer, Boy George, is Irish and the drummer, Jon Moss, is Jewish.

Boy George wrote the song. He is famous for his outlandish clothes and make-up. The song went to number one in the UK and number two in the USA. It’s a sad song about the break up of relationships.
