

Papercraft Norton

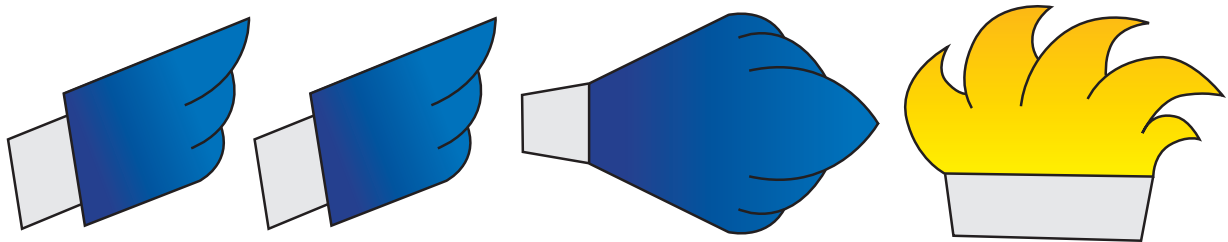

Papercraft Norton

Instructions

- 1• Cut out all the parts A to E. **Note:** There are two parts for A. Cut around outer edge only.
- 2• Lightly score along all the dotted lines. Fold the scored lines.
- 3• Glue the backs of parts A (x2), B and D. Fold and stick together to make wings x 2, tail and hair.

- 4• Cut along white lines x 4.
- 5• Take front body part C. Stick 7 to back side of body as marked.
- 6• Stick 8 to back side of body as marked.
- 7• Stick 10, 11 and 12 to back side of body as marked.
- 8• Stick 1 and 4 to back side of beak. Stick 2, 3 and 9 to back side of head as marked.
- 9• Stick 5 to back side of beak and 6 to main front body as marked.
- 10• Fold legs together and stick. Then stick 13 and 14 to the base as marked.
- 11• Insert D into cut made in top of head.
- 12• Insert A into cuts made on either side of body.
- 13• Insert B into cut made at the bottom of the back.
