

Unit 1: Geography – The water cycle and the weather

Do you know what the weather is like in the rest of the world? Do the webquest and find out.

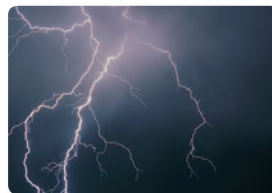

1 Find information about the weather today.

	Weather	Temperature
London		
Edinburgh		
Dublin		
New York		
San Francisco		
Where you are		

What do you know about extreme weather?

2 Find what these are. Match the words and the pictures.

- 1 flood
- 2 drought
- 3 hurricane
- 4 lightning
- 5 hail
- 6 frost

3 Which of these happen where you live?

- | | | | | | |
|-----------|--------------------------|-------------|--------------------------|---------|--------------------------|
| 1 flood | <input type="checkbox"/> | 3 hurricane | <input type="checkbox"/> | 5 hail | <input type="checkbox"/> |
| 2 drought | <input type="checkbox"/> | 4 lightning | <input type="checkbox"/> | 6 frost | <input type="checkbox"/> |

4 PROJECT: Make a poster of the weather today in the cities in Exercise 1. Use photos and drawings and write the information. Show it to your parents and explain what the weather is like today in those cities.
