1. Preparing to Listen
You are going to listen to a conversation between three business partners. Before you listen, think about the following questions.

If you could start up a small business, what would it be?
Why do you think some small businesses fail?

2. Listening for Main Ideas
Read question 1. Listen to the conversation. Then, put the topics discussed in the correct order from 1–10.

3. Listening for More Detail
Read questions 2–9. Listen to the program again and choose the correct answer for each question.
